

Wanted: Volunteer Docents

Docent Training

WEDNESDAY, MAY 16, 5:30-6:30PM

Dacotah Prairie Museum Conference Room

21 S. Main St., Aberdeen, SD

What's a Docent? A docent is a person who acts as a guide, typically on a voluntary basis, in a museum, art gallery, or zoo.

Join our Docent Training session for the upcoming traveling exhibit: **"Tiny Titans: Dinosaur Eggs and Babies"** and learn about how you can be a Dino Docent! No experience necessary; you don't even have to know a thing about dinosaurs. Docents greet visitors, answer questions about the exhibit (scripts provided!) and watch over the exhibit. Staff will always be on hand to assist. Docents will be needed during the weekend hours of 1-4 pm Saturday & Sunday for the duration of the exhibit's stay (June - Nov. 2018). Sign up for one or many shifts! Recruit a friend to join you!

You can be a Dino Docent! Refreshments will be served. If you cannot make this training session, a recorded version will be available online at a later date. Must be age 18 or older to be a docent.

Call the DPM at 605.626.7117 to let us know you will be attending this docent training session, or, if you can't make it but are still interested, call for information about our online training video.
