I talked to the Zoning Board last night about this coming up next month and they are not going to approve any access approach off of the highway (the highway dept. won't support it either).

I will keep it at 37989 130th St. The two townships just spent a total of \$50,000 dollars to fill in 130th St for his that is being built on the previous plat.

Thanks,

Scott Bader

JGE Second looks fine. See attached. What address are you giving parcel 29618? 37989 130th St or reassigning a 382nd Ave address?
