Weed & Pest Department Monthly Update:

The chemical bid and notice to inspect were submitted today and will be published soon.

The state Weed & Pest Commission approved musk and plumeless thistle to be added to the local noxious list for Brown County. We don't have very much, but we currently only have 3 of 6 available slots for noxious weeds used. It's nice to have it on the list so we can treat any spots we see before it gets out of hand.

Other Matters

none

The next meeting is scheduled for Tuesday, April 19th, at 11:30AM at the Weed & Pest Control office in the Brown County Courthouse basement.

Dennis Feickert motioned to adjourn, seconded by Tyler Bierman, motion carried.
