Weed & Pest Department Monthly Update:

Chris Hemen met with Aberdeen Code Enforcement to look at an infestation of wormwood and thistle on the SW end of Aberdeen. It was determined that the area is still in city limits so Paula will be handling it.

We are still working on our first round of right-of-way spraying. The heat and wind have been making it difficult to get full days of spraying in.

There still hasn't been any word on the mosquito grant for 2022. Chris will let everyone know as soon as he hears something.

Other Matters

none

The next meeting is scheduled for Tuesday, September 20th, at 11:30AM at the Weed & Pest Control shop. There will be no August meeting due to the Brown County Fair

Bill Donaldson motioned to adjourn, seconded by Dennis Feickert, motion carried.
